Moonset Pit Green Waste Disposal to begin May 20

Open every other Saturday through September 9, 2023

Williams, Arizona, May 10, 2023 — The Kaibab National Forest, in cooperation with the communities of Parks and Sherwood Forest Estates is re-opening Moonset Pit on May 20, 2023 for residents to dispose of green waste materials from private property.

The pit will be open every other Saturday from 8:00 a.m. to 2:00 p.m. until September 9, 2023. Moonset Pit is located just west of the Parks community, east of Spitz Springs on the north side of old Route 66.

Local area residents are encouraged to take advantage this free opportunity as they make their private property defensible against the threat of wildfire this season.

Users may discard natural woody debris such as logs, limbs, branches, brush, needles, and leaves while staff is present. Stumps/roots must be clear of dirt and rocks.

No bagged substances, lumber, construction material, household garbage or any other items can be deposited at the site.

This service would not be possible without the volunteers who have helped manage the site over the last 15+ years. In particular, Kathie Krushinsky, Sue Hamilton, and Joanie Raetzel have contributed a great deal of time and effort coordinating this program.

###
